Philips

With the BV Pulsera, you benefit from highly evolved X-ray technology with comprehensive dose management

features. Philips was the first company to market the mobile C-arm and has over half a century of experience in developing mobile C-arm systems for the surgical environment.

Philips C Arm • Models and Features • Sharp Medical

Occasionally, medical equipment is presented with technology that changes the game altogether. The refurbished Philips BV Pulsera C-Arm is an example of what updating a few components can mean to the performance of equipment as a whole. In the process of a refurb, Philips BV Pulsera C-arms receive a fast cooling rotating anode tubes which dramatically reduces its cooling time.
